

Off-payroll working in the private sector – a webinar

Tuesday 26th January 2021

13:00 – 14:00

With the 6th of April 2021 fast approaching, many hirers, intermediaries and off-payroll workers have begun their preparations for the proposed off-payroll working (IR35) rules. Whether you are at the beginning stages of your planning or are ready to find a compliant solution, our latest webinar will provide guidance and support.

Leading accountants Saffery Champness and workforce management specialists **giant group** will share real-life examples and practical solutions as well as provide information on the following areas:

- who the rule changes affect
- implementation planning
- payment options
- pitfalls and risks to be aware of

your speakers for the event are:

- [David Hopkins](#), Workforce Management Consultant, **giant group**
- [Daniel Haslam](#), Group Sales Director, **giant group**
- [Angela Ferguson](#), employment tax director at Saffery Champness
